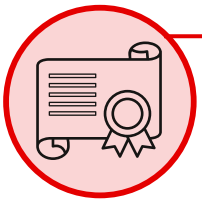
Early Childhood Program Enrollment Checklist

These documents are needed to complete your registration/enrollment.

Valid Photo ID for Parent/Legal Guardian

A valid Photo Identification Card of the parent or guardian enrolling the child in school. Examples: Driver's License, State, Military, High School/College I.D., or U.S. Passport.



Child's Birth Certificate

If your child was born in St. Clair County, you can obtain a copy of the birth certificate at https://countyclerk.co.st-clair.il.us/records/Pages/default.aspx or by going in person, but call before you go to verify service hours. Fees for certificates start at $15. Scholarships may be available, ask the programs below for more information.

Child's Up-To-Date Physical Exam & Immunization Record

Your child's doctor should complete the Illinois Health Examination Form which includes: a current list of Immunizations, an Allergy/Asthma Action Plan, proof of Lead & TB Screenings, any medical diagnosis of a disability that your child may have, and Medical Authorization Form. If you don't have a family doctor, clinics in the area may provide this service.

Child's Most Recent Dental Exam

A copy of your child's most recent Dental Exam Records are needed. If you do not have them, your child may be able to have a dental exam completed during the Enrollment process.
